### Experience

#### **Myself** / Freelance UI/UX Designer, Graphic Designer

SEP 2020 – PRESENT

Collaborating with clients to create custom UI/UX solutions and graphic designs that meet their goals and deadlines. As a freelance designer, I handle the entire design process, from gathering requirements and concept development to delivering prototypes and final designs, including wireframes, user flows, usability tests, and visual refinement for an engaging user experience.

#### **PT SINERGI RAJAWALI MATARAM** / UI/UX Designer

3 Months

Collaborating as a UI/UX Designer in a creative startup, I work with a team on large-scale web and app projects, contributing to user research, wireframing, prototyping, and interface design. I ensure smooth communication with developers to streamline the design-to-development process.

#### **Muslimah Home Spa** / Graphic Designer

JUL 2022 – JAN 2024

Working as a Graphic Designer, I create engaging Instagram feeds and reels while actively contributing to social media development. I generate content ideas that align with the business's industry, ensuring visually appealing and on-brand designs to drive engagement and brand awareness.
